## WITH GREAT AFFECTION . . .

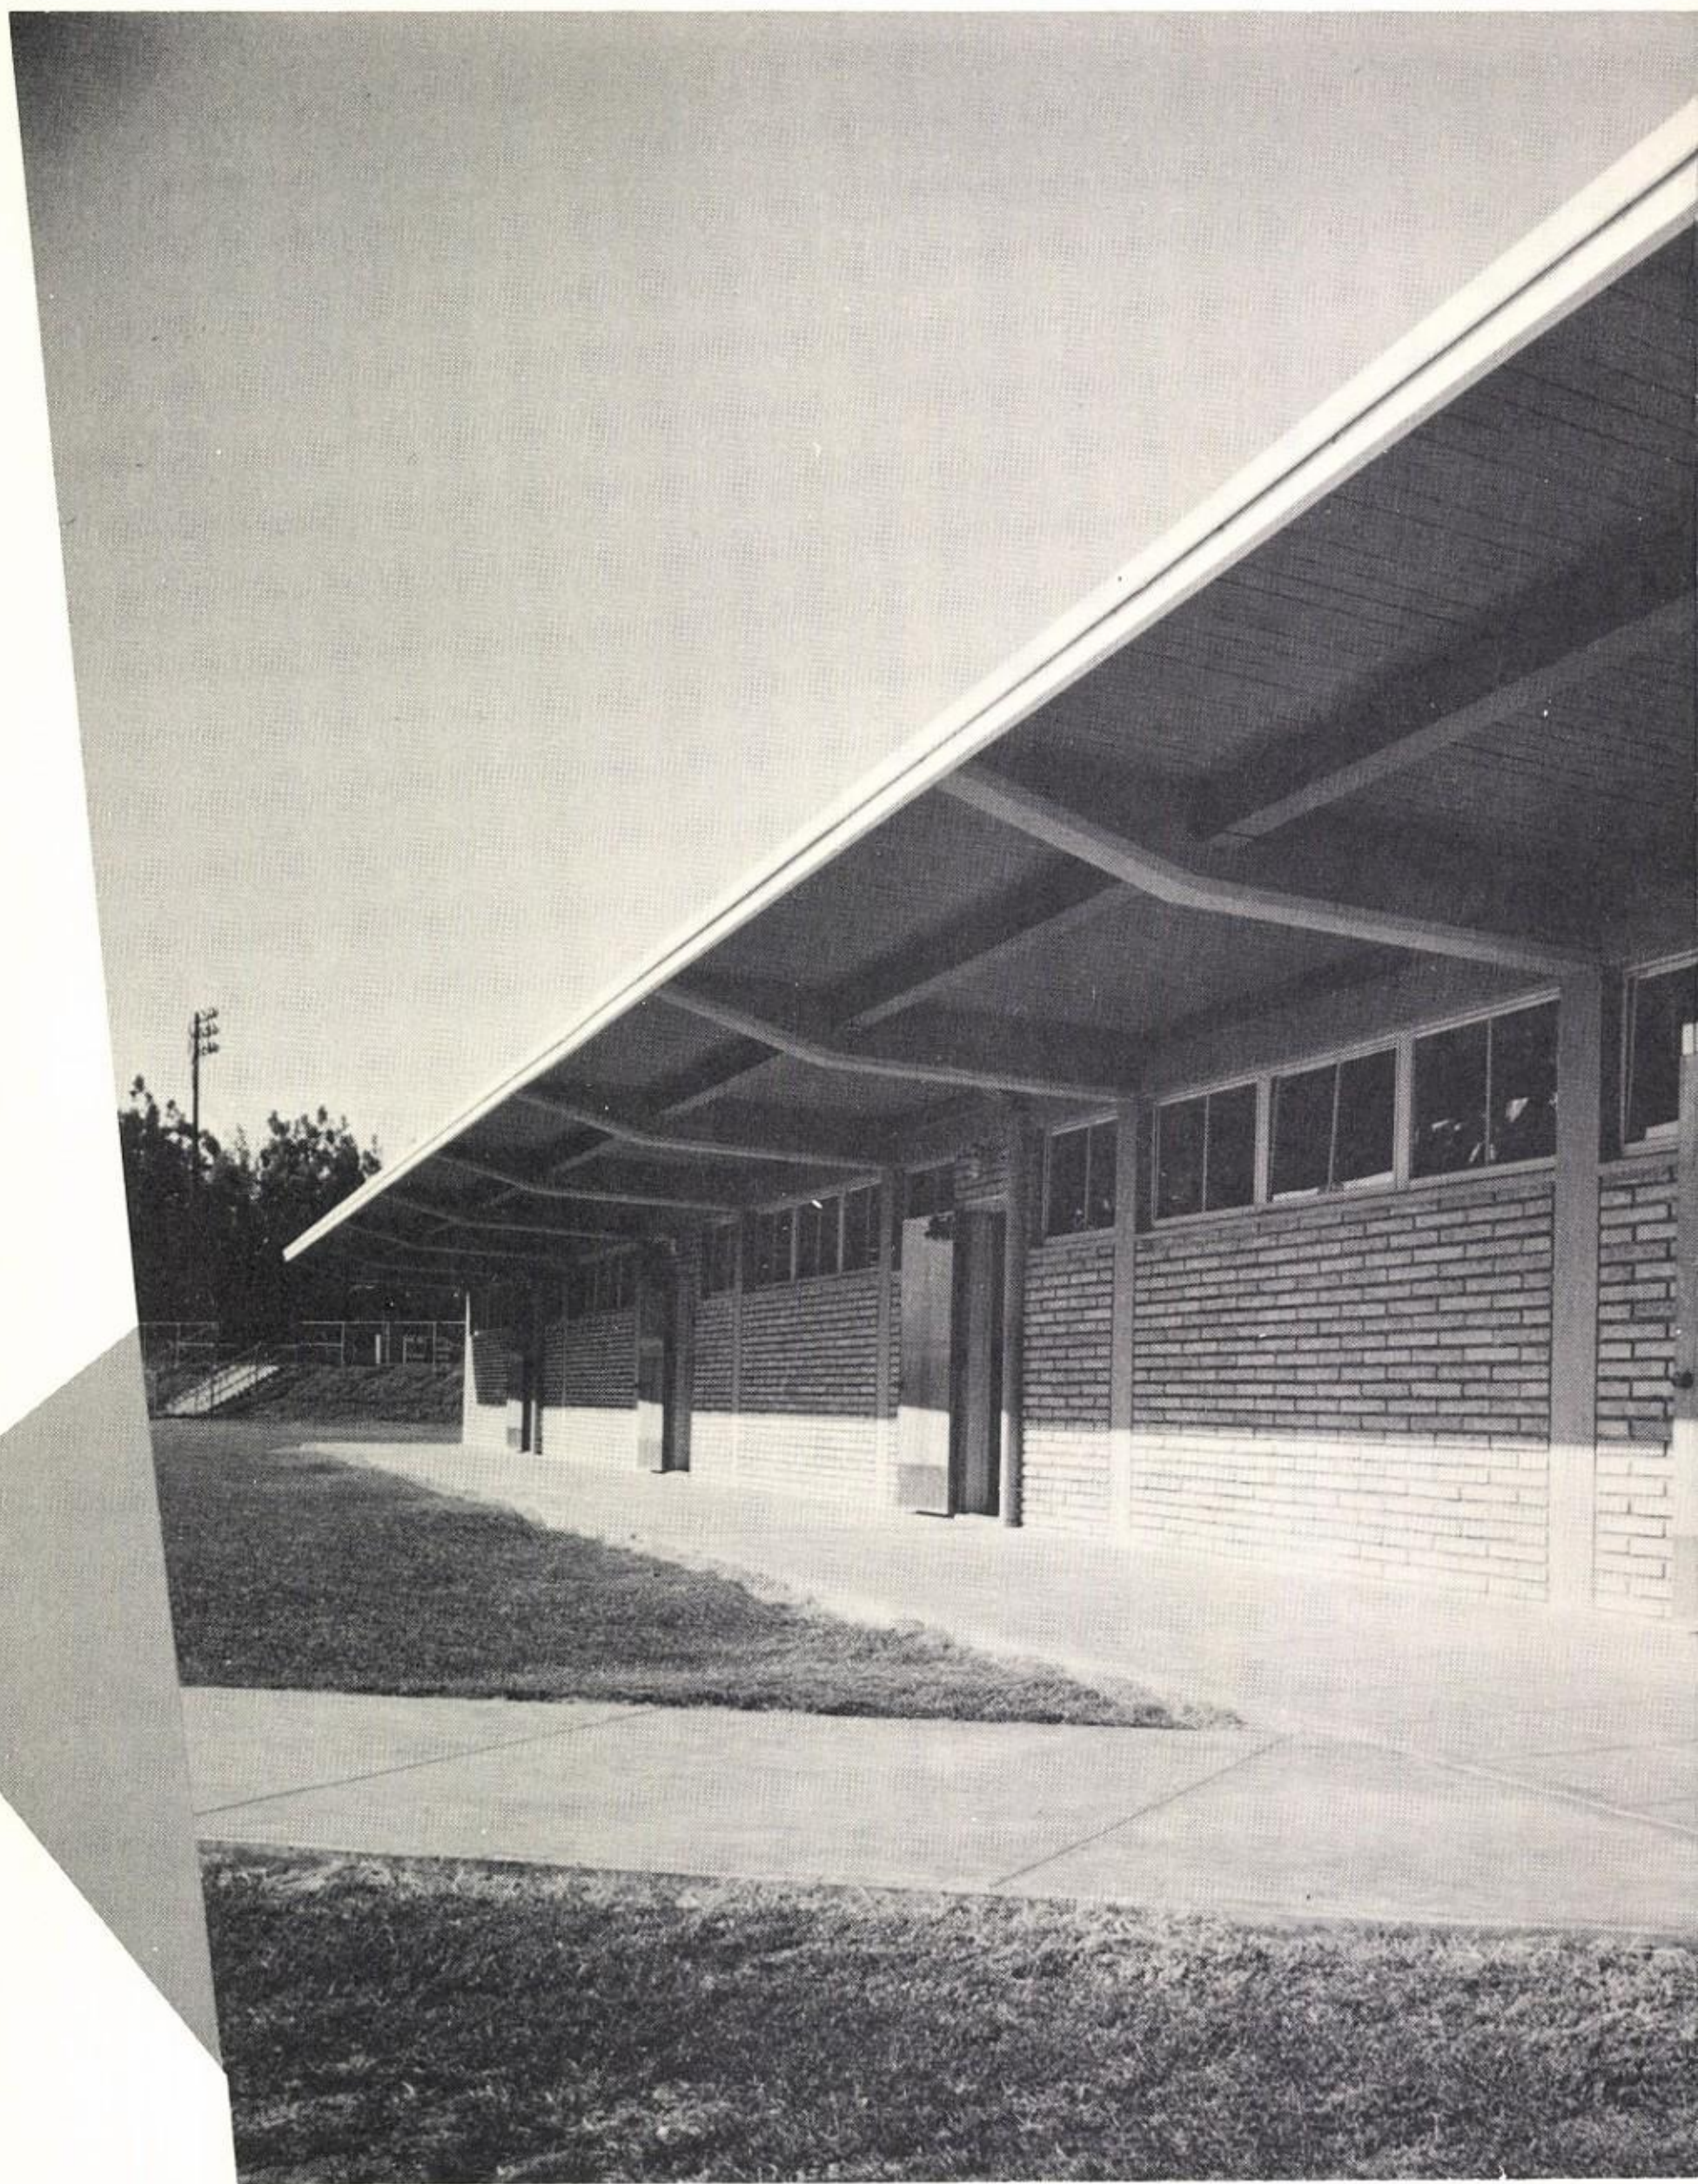

WE DEDICATE OUR 1957 YEARBOOK TO MR. CHARLIE WALKER now in his 28th year at our high school. Mr. Walker came to King City in 1928 as auto shop teacher after extensive experience in machine shops and in the automobile business. One of his more unique contributions to our school was a school bus which he built out of an old passenger limousine.

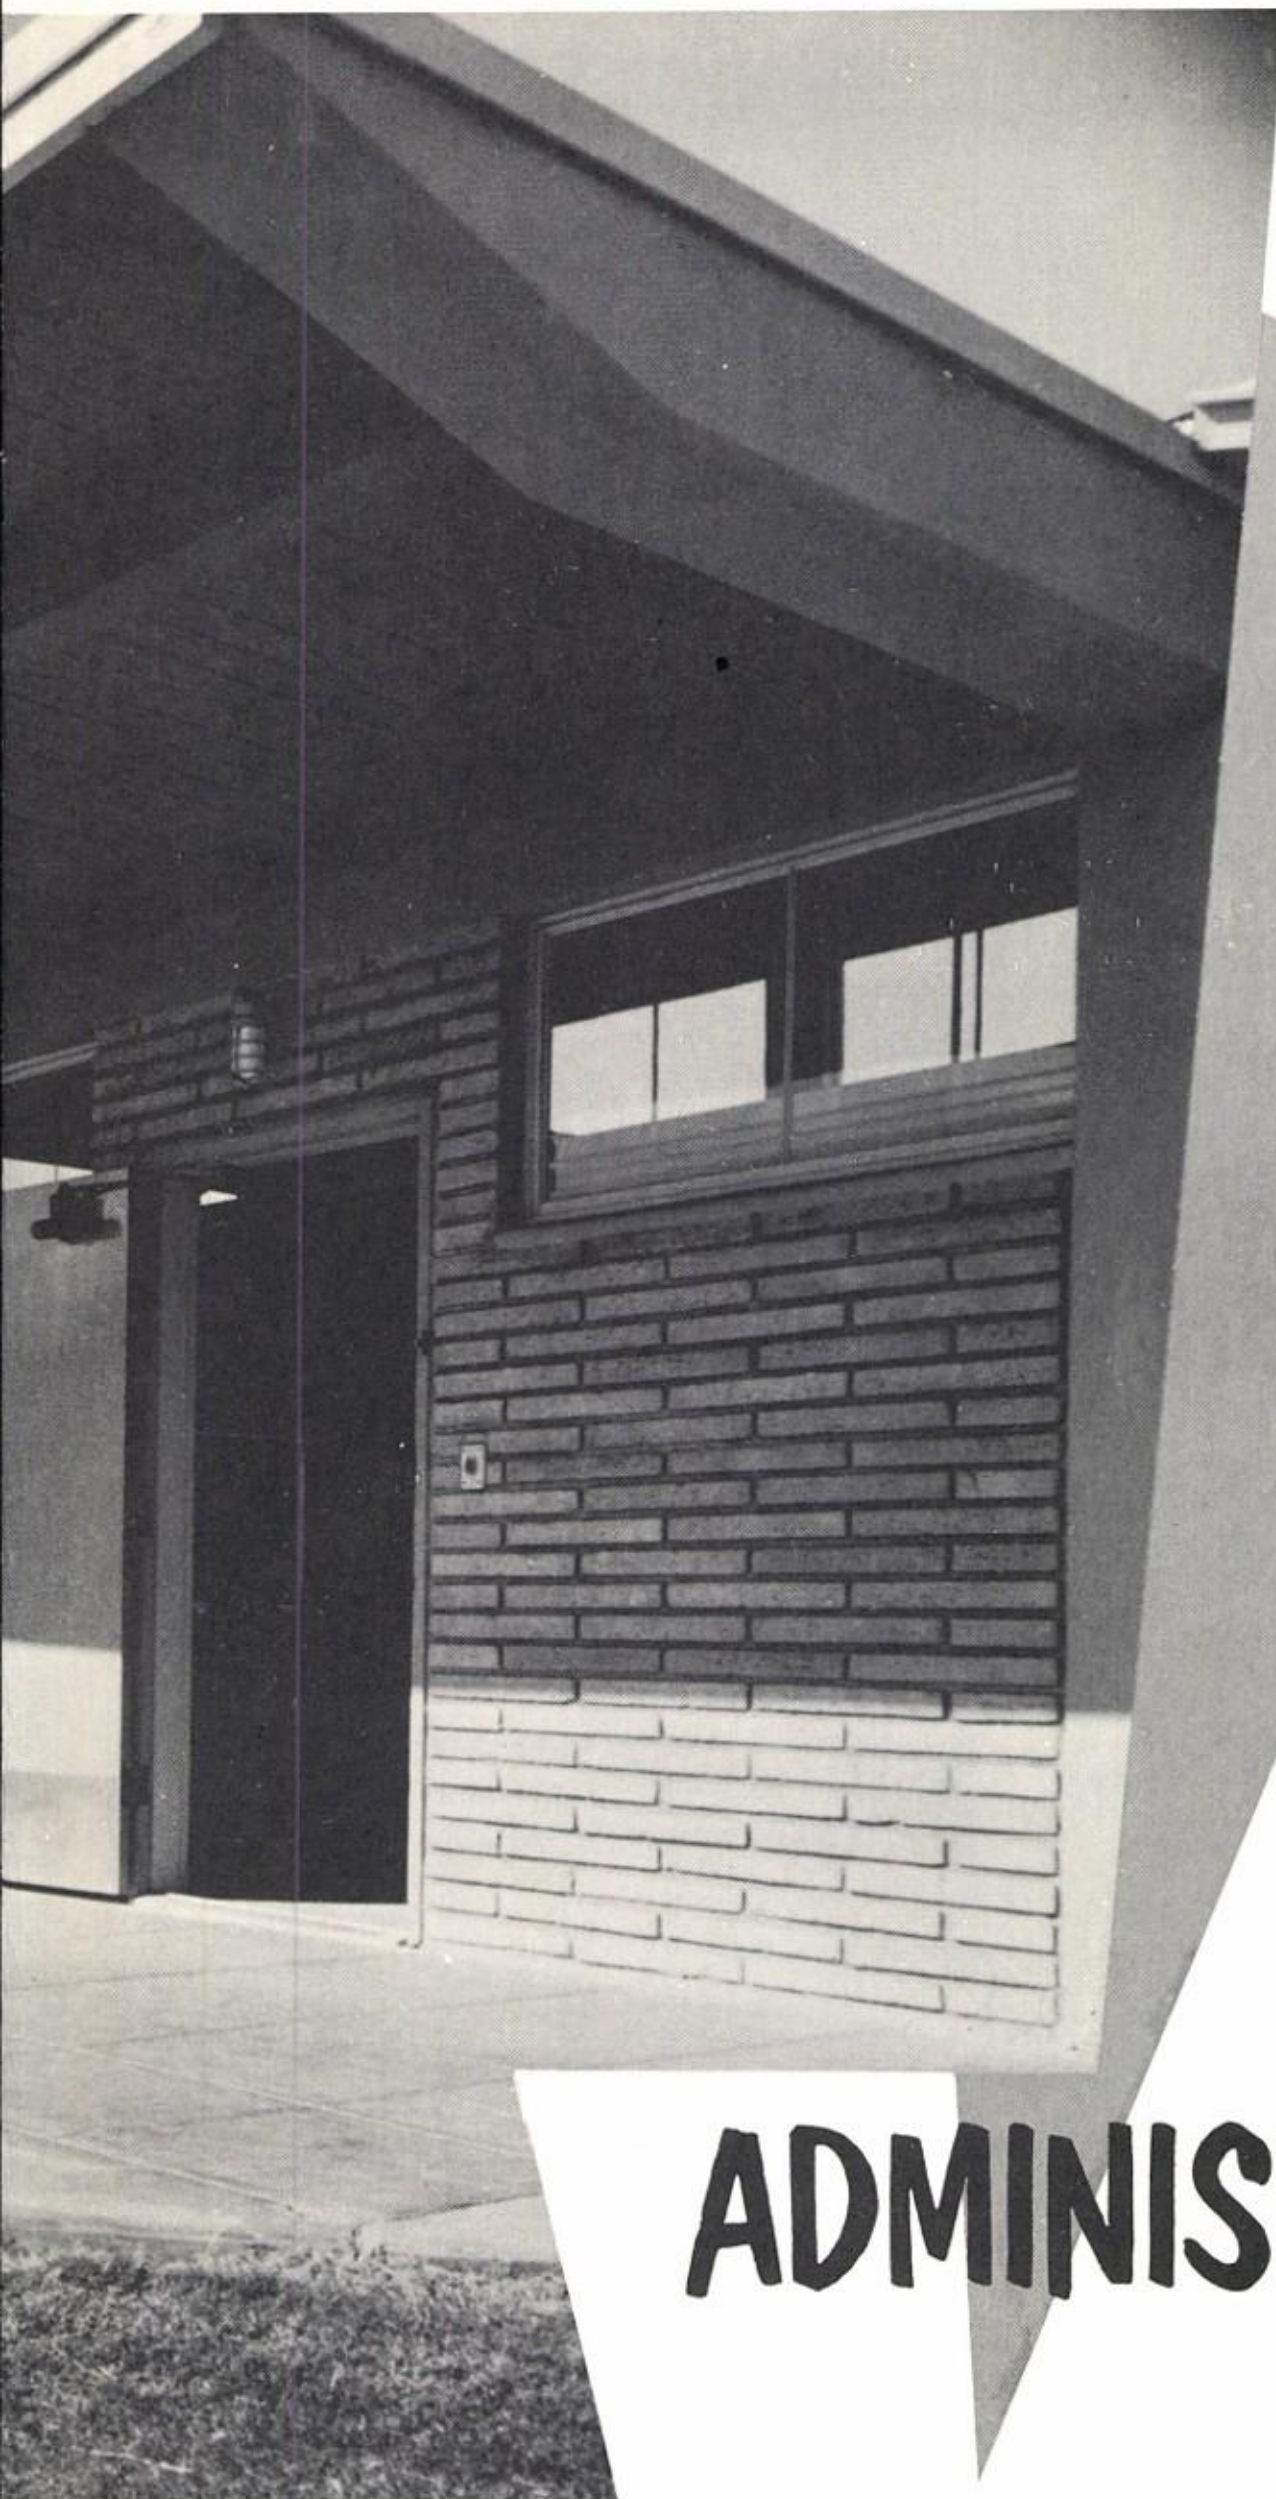

In 1951 Mr. Walker left the shops and took over the newly instituted driver education program. He has been teaching in that capacity since that date.

Mr. Walker also can boast that he has purchased a yearbook each year since he began teaching. Each student he has had over the years occupies a place in Mr. Walker's prodigious memory.

### **This is the End of . . .**

four very successful years for the Class of 1957. These past years hold many memories for us: our wonderful Sock Hop, "Cherry Pink and Apple Blossom White," which was said to be one of the best...our Junior float winner, "Halloween Carnival"...our Junior Play, "Arsenic and Old Lace," for which we could boast a full house, and our Senior Play, "Heaven Can Wait"...our Junior Prom given in honor of the Seniors, called "Lullaby of Birdland," which was very well attended by all classes. Most of all we will remember those never to be repeated events: Senior Ditch Day, Senior Banquet, Baccalaureate, Commencement, and the All-night Party.

### **This is the Beginning of . . .**

a new life and a new look into the future. Some of us will continue our education in college, others will seek jobs or marriage, and many will join the service. To the Class of 1957 we extend our sincere congratulations and best wishes.
